Jacob:

As you know, I am working on reissuing the individual NPDES permit for the PotlatchDeltic St. Maries complex (permit number ID0000019). My supervisor, Susan Poulsom, and I would like to meet with you (and others from PotlatchDeltic as you see fit) to discuss this permitting action with you.

I have set up a scheduling poll; the proposed times appear to work for Susan and myself. If none of these options work, we can look for other times later in January.

I hope you are well and I look forward to talking with you.

Thank you,

Brian Nickel, E.I.T.
